Agreement with the K. D. H. P. Company.

203. *MR. K. P. KOCHUKORA THARAKAN: Will the Government be pleased to state whether the Kannan Devan Hills Produce Company has requested them to renew their agreement with the Government?

MR. M. RAMACHANDRA RAO: No.

PRESIDENT: I find a number of questions relating to the renewal of agreement with the K. D. H. P. Co. Ltd. Some members seem to have asked them under some kind of knowledge and I do not know how far they are correct. Will the Land Revenue Commissioner enlighten the House the ground on which such questions have come up before the house?

MR. M. RAMACHANDRA RAO: I think there has been some misapprehension about the agreement with the K. D. H. P Company. The reason seems to be this. As a result of certain correspondence the K. D. H. P. Company has agreed to pay Rs. 8,000 annually as additional tax for the lands in their possession. Perhaps the idea of a new agreement was due to this. I may state for the information of the House that the agreement with the K. D. H. P. Company is a permanent one and not for any definite period.

MR. PULIYOOR T. P. VELAYUDHAN PILLAI (*Tiruvella*): May I know whether there was an arrangement by the K. D. H. P. company to bring the whole extent of the land leased out to them under cultivation?

MR. M. RAMACHANDRA RAO: No, Sir.

PRESIDENT: There is considerable misconception engineered in the matter.
